

# 100 Watt Ultra

**Extremely powerful with a diverse range of utilisation, the 100W Ultra Solar Light is leading the way in solar technology. This solar light will provide the brightest lights and the most powerful battery capacity - offering brighter and safer spaces wherever they're installed.**

The 100W Ultra Solar Light has a flexible time setting system that can control the emitting lux for optimal light output throughout the night. With its unique design and powerful mono crystalline solar panel, it suits many applications.

- ✓ Remote control option to reset the luminaire output
- ✓ All-in-one compact unit
- ✓ Mono-crystalline solar panel
- ✓ Built in lithium-ion battery storage
- ✓ Automatic day and night mode controlled by PE cell
- ✓ Ideal for large carparks and civil works
- ✓ Available in both permanent and portable models
- ✓ Cree LED technology integrated into a sleek aluminium design
- ✓ Can be used on a 6m or 8m pole
- ✓ NO diesel required

## Applications

## Specifications

<b>Product code</b>	<b>F20100101</b>
<b>Power Consumption</b>	100W
<b>Beam Angle</b>	150° x 70°
<b>Luminous Flux</b>	14,000 Lm (TYP)
<b>Colour Temperature</b>	2700 - 6500K
<b>Time to fully charge</b>	8 hours
<b>Battery</b>	Lithium life PO4
