

# 5.5m Promenade Pole Single Outreach BPM

Say goodbye to unsightly light poles for your solar lights - the 5.5M Promenade Single Outreach BPM Pole offers an attractive solution to your solar street lighting concerns. The heritage style pole will blend seamlessly into established neighbourhoods and parkways, or bring a touch of the Victorian era to new estates.

The Promenade pole is a decorative option not often available with solar lighting. It is able to blend into many different environments, making it ideal for parks, gardens and car parks.

- ✓ Base plate mount for easy installation
- ✓ Durable two pack paint
- ✓ Range of colours
- ✓ Single outreach - pole can be set back from pathways
- ✓ Compatible with Delta solar lights
