

5.5m Promenade Pole Double Outreach BPM

To ensure your solar lights are as attractive as they are functional, consider our 5.5M Promenade Double Outreach light pole. Designed in a heritage style this pole is sure to complement any location it's installed in.

The Promenade pole is a decorative option not often available with solar lighting. It is able to blend into many different environments, making it ideal for parks, gardens and car parks.

- ✓ Increased light spread utilising one pole
- ✓ Base plate mount for easy installation
- ✓ Durable two pack paint
- ✓ Range of colours
- ✓ Compatible with Delta solar lights
